Environmental Engineer KATIE MCCLINTOCK [10:30 AM]:

do you want to join us for an internal epa technical call on bullseye at 1? would be good to have you if you are free

Hedgpeth, Zach [10:31 AM]:

I'm free for 30 minutes...

Environmental Engineer KATIE MCCLINTOCK [10:32 AM]:

k, i just added you

Environmental Engineer KATIE MCCLINTOCK [11:14 AM]:

when do you quit today? could you do 3:30-4:30?

Hedgpeth, Zach [11:28 AM]:

Sorry, I have another commitment when I get off at 2:30... Is the issue that you want me there until 1:30?

I might be able to shorten or reschedule my 1 pm meeting.

Environmental Engineer KATIE MCCLINTOCK [11:28 AM]:

now it is 2:30-3:30.

Hedgpeth, Zach [11:28 AM]:

Oh, for a different reason...

bummer

Environmental Engineer KATIE MCCLINTOCK [11:29 AM]:

though i'm not sure if it helped anyone, people who looked free still weren't

Hedgpeth, Zach [11:30 AM]:

I could probably make it work before 2:30, but afterward I can't do it...

Environmental Engineer KATIE MCCLINTOCK [11:31 AM]:

i moved to 1 again

and now i will stop blasting people with calendar changes :)
